WANNA PLAY?
HEY HONEY, LETS HAVE SOME
JOY

Hey honey, let's have some fun with tableware!
And so we did. We are proud to present the 'vtwonen happy collection'. A collection of fun items with lots of positive vibes that will definitely put a smile on your face every day when you enjoy your coffee, tea or meal.
All these 'happy items' make a perfect match with existing elements of the vtwonen basic tableware collection, black cutlery and plates made of rubberwood (for a Scandinavian touch) or acacia (bohemian & stylish). With this new collection we bring you a happy extension of the vtwonen collection.
Enjoy!
